I. Mission Statement

The University Writing Program at the University of Florida cultivates effective communication for engaged citizens, supporting their work in academic, business, and international spheres.

The UWP prepares students and faculty to meet their academic and professional writing goals by delivering broad-based instruction in composition, by providing a writing studio for individualized help, and by hosting faculty and student workshops. The UWP houses coursework in First-Year Writing, Second-Year Analytical Thinking and Writing, Third-Year Professional Writing in the Disciplines, and Graduate-Level Scholarship and Publication.

Engaging with students and faculty at all levels of writing and at every stage in the writing process, the UWP develops the fundamental skills of critical reasoning and effective communication.
